More Than A Feeling

Music has played an important part in all of our lives. Music can relax us, or stimulate us, but either way it pleases us. Each of us has a favorite song—one that affects us like no other. On the top of this page is the countdown of the number one songs of the past twelve years. The number one song for that entire period was "You Light Up My Life."

Albums were popular over the past twelve years. Some of our favorites were Fleetwood Mac's "RUMORS", the SATURDAY NIGHT FEVER SOUNDTRACK, and most recently, R.E.O. Speedwagon's "HI INFIDELITY."

Music has passed through stages over the last dozen years. The decade of the Seventies opened with the music of the Sixties still intact. Three Dog Night, Lynyrd Skynyrd, The Eagles, and The Jackson Five were all popular. During the mid-Seventies, disco came on the scene. Dancing became a favorite

means of entertainment. We all wanted music to dance to and disco was the perfect answer. Popular artists of this era were Donna Summer, Earth, Wind, and Fire, The Commodores, and the Bee Gee's. The Bee Gee's rode the crest of disco to become the number one group of our twelve years of school. In the late Seventies and early Eighties we possessed a wide range of musical tastes. Country music became popular with artists such as Waylon Jennings, Willie Nelson, and Kenny Rogers. Others turned to the New Wave sound of Devo and Blondie. A trend towards southern rock made the Charlie Daniels Band popular. There was also a taste for technical rock such as that supplied by Electric Light Orchestra, Queen, and Rush. The final trend was towards Beach Music.

Who knows what kind of music we'll be hearing tomorrow—college alma maters, wedding bells, or lullabies?

WHEN YESTERDAY WAS TOMORROW

Kindergarten at Farmland School. Those were the good ole days.

Oh those memories! Looking back on yesteryear brings back many memories. Remember the loose teeth and the skinned knees. Boy those were the days! We loved having homework because having homework meant we were big kids!

As we think back we really do see how much we have changed over the years. We have suddenly grown-up. The faces have changed but the memories will linger on forever in our minds. The memories of MUDPIES, BABYDOLLS, FIRETRUCKS, FIREFLIES, COWBOYS and INDIANS, LITTLE LEAGUE BASEBALL and FOOTBALL GAMES will never be forgotten. If we could go back, would we?

WOW! WE HAVE GROWN-UP!

MAKING HISTORY:

History is a word with several meanings ranging from one of the credits we need to graduate to a chronological record of significant events. History is something that happens every minute. More than likely, at some time or another, we've all felt like the little boy who told his father that he wished he had been born 500 years earlier . . . so he wouldn't have as much history to learn. History, though, is very important because it is yesterday's history that makes tomorrow's future.

For the twelve years that the Class of 1982 had been studying history, history was continuously in the making. From 1970 until 1982 there were four Presidents of the United States: Richard Nixon, Gerald Ford, Jimmy Carter, and Ronald Reagan. Each one of these

men had some extremely trying times that unquestionably affected our lives.

In the first years of the 70's decade, Americans had to deal with the aftermath of the Vietnamese War and the 60's generation. America was clamored with anti-war demonstrations and riots.

In the 1972 Presidential Election, Nixon was reelected with Spiro T. Agnew as his vice-president. Agnew was later replaced by Gerald Ford. On August 9, 1974, Ford became President of the United States after Nixon's resignation due to the Watergate scandal. Watergate headed the American headlines HOTLY during the years of 1973 and 1974. It was also in 1974 that Patty Hearst was kidnapped in Berkeley, California by the Symbionese Liberation Army. There was a serious energy crisis

during this time causing record-long gas station waiting lines and skyrocketing prices.

In January of 1975, unemployment hit a 33 year high at 8.2%, and in December of 1975 the United States postal ratings increased with the price of the first-class letter rising from 10¢ to 13¢.

The year 1976 represented America's Bicentennial—her 200th birthday. The United States chose a new president during that year—James Earl Carter, Jr., who we'll always remember as Jimmy from the South. Jimmy took a different style to the White House with fireside chats and a very interesting first-family.

Americans were horrified in 1978 by the "Son of Sam" killer, David

Berkowitz and grief-stricken with the death of Pope John Paul I who died on the 34th day of his reign. There was also the nuclear power plant crisis at Three Mile Island in Pennsylvania. On the brighter side, the birth of the first test-tube baby occurred on July 25 of this year. In 1978 Americans were keeping their "heads up" for the United States space station SKYLAB. After weeks of predicting where it would land, SKYLAB finally fell to earth in the Indian Ocean off Australia.

One of the most memorable happenings in this twelve year period, as well as in 1979 began on November 4, 1979

when the Iranians seized the United States Embassy and captured American Hostages. This crisis lasted for well over a year and finally all the Hostages were released in January of 1981.

July 21, 1980 was the day of the first draft registration since 1975. Also in that year, Americans elected Ronald Reagan as the 40th President of the United States.

Reagan's term began with a bang in 1981 as there was an assassination attempt made on his life, putting him in the hospital for some time. In September of 1981, Sandra Day O'Connor became the first woman ever elected to

the post of the Supreme Court Justice. Anwar Sadat was killed on October 6, 1981 bringing political unrest to many countries.

During these past twelve years there were several "countdowns" to blast-offs as space missions occurred in abundance. Some of the most memorable missions included the Skylab and Apollo projects and the Mariner 10.

Keeping in mind that these events are only a drop in the bucket to the entirety of events, we can see that it has been a busy twelve years in our country, as well as in our history books.

THE WIDE WORLD OF SPORTS

The past twelve years have been filled with exciting sports action. Television revolutionized the sporting industry as sports took on extreme specialization. An athlete could have many weaknesses and still contribute. He could specialize in a field such as relief pitcher, designated hitter, or field goal kicker. The athlete would be responsible for one thing and this allowed for more people to compete. Thus, the 1970's and the early 1980's were years of specialization and excitement.

In 1970, the World Series belonged to the Baltimore Orioles and Brooks Robinson. Robinson made many spectacular plays at third base and batted .429 for the Series. The Orioles defeated the Cincinnati Reds in five games. N.F.L. Monday Night Football debuted with a relatively unknown announcer—Howard Cosell. The program was an instant success and gains wider audiences every year. Joe Frazier knocked out Jimmy Ellis to become the sole heavyweight champion. Muhammad Ali began his comeback in boxing. Walt Frazier, Bill Bradley, Willis Reed, and Dave DeBusschere led the New York Knicks to a N.B.A. Championship.

In 1971, Lee Trevino was P.G.A. player of the year. Joe Frazier defended his title against Muhammad Ali with an unanimous decision. The Pittsburgh Pirates defeated the Baltimore Orioles in the World Series. The late Roberto Clemente hit .414 for the Pirates in the Series.

In 1972, the Summer Olympics were held in Munich, Germany. The festivities were darkened when Palestinian terrorists murdered eleven Israeli competitors. Mark Spitz won seven gold medals in swimming. Olga Korbut won the hearts of spectators by winning several medals in gymnastics. The Miami Dolphins, (led by quarterback Bob Griese pictured on the opposite page) became the first team to go undefeated in a fourteen game season. The Oakland A's won the World Series over the Cincinnati Reds.

In 1973, O.J. Simpson set an N.F.L. rushing record by gaining 2003 yards. The Miami Dolphins wound up a 17-0 season by defeating the Washington Redskins in the Super Bowl. George Foreman knocked out Joe Frazier to win the heavyweight championship. Muhammad Ali lost to Ken Norton in a twelve-round-split decision. The designated hitter rule was introduced in the American League. The Oakland A's won their second straight World Series. U.C.L.A. won their seventh consecutive N.C.A.A. basketball title.

In 1974, Hank Aaron hit his 715th home run to break Babe Ruth's record. The Oakland A's won their third straight World Series. Chris Evert (pictured on this page) won the ladies singles title at Wimbledon. N.C. State won the N.C.A.A. title in basketball. Muhammad Ali beat George Foreman for the heavyweight title. Ali became only the second man to lose the title and to regain it.

In 1975, the Pittsburgh Steelers won their first Super Bowl. Their "Steel Curtain" defense and Terry Bradshaw's passing led them to the title. The Cincinnati Reds won the World Series over the Boston Red Sox in seven games. Frank Robinson became major league baseball's first black manager. Nolan Ryan hurled his fourth no-hitter to tie him with Sandy Koufax for the record. Muhammad Ali defeated Joe Frazier in the "Thrilla in Manila."

In 1976, the Olympic Games were played in Montreal, Can-

ada. Nadia Comaneci became gymnastics first perfect ten. Bruce Jenner won the decathlon and became the "World's Greatest Athlete." The Pittsburgh Steelers defeated the Dallas Cowboys in Super Bowl X. The Cincinnati Reds won the World Series over the New York Yankees. The Yankees had been purchased and refined by shipping magnate George Steinbrenner.

In 1977, Tom Watson won the Masters and the British Open. Bill Walton and the Portland Trailblazers won the N.B.A. Championship. Kareem Abdul-Jabbar repeated as the League's most valuable player. Reggie Jackson stole the show as the New York Yankees defeated the Los Angeles Dodgers in the World Series. He hit three home runs in the final game. Rod Carew hit .388 and won his sixth league batting title. A.J. Foyt won the Indianapolis 500 for a record fourth time. The Oakland Raiders won their first Super Bowl. The Minnesota Vikings lost for the fourth time in the Super Bowl.

In 1978, the New York Yankees again defeated the Los Angeles Dodgers to win the World Series. Jack Nicklaus won his seventeenth major tournament. Nancy Lopez revolutionized women's golf by winning nine tournaments. In September, Muhammad Ali won the title back in a rematch with Leon Spinks. Thus, he became the only man to win the title three times. The Dallas Cowboys, led by quarterback Roger Staubach, defeated the Denver Broncos to win the Super Bowl.

In 1979, Bjorn Borg (pictured on this page) won his fourth straight Wimbledon Men's Singles Title. The Pittsburgh Pirates defeated the Baltimore Orioles to win the World Series. Willie Stargell was the most valuable player. Michigan State, led by Ervin "Magic" Johnson, defeated Indiana State, led by Larry Bird, for the N.C.A.A. basketball title.

In 1980, the Summer Olympics were scheduled to be held in Moscow, U.S.S.R. They were played, but without competitors from the United States and many nations of the free world. These nations were protesting the Soviets intervention in Afghanistan. The Winter Olympics were held in Lake Placid, New York. This is where the United States had to prove itself. The American team did so by pulling off a remarkable victory in Ice Hockey. The United States team defeated the Soviets and several others to win the gold medal. Dave Winfield (pictured on the opposite page) became the highest paid professional athlete in the world. He signed to

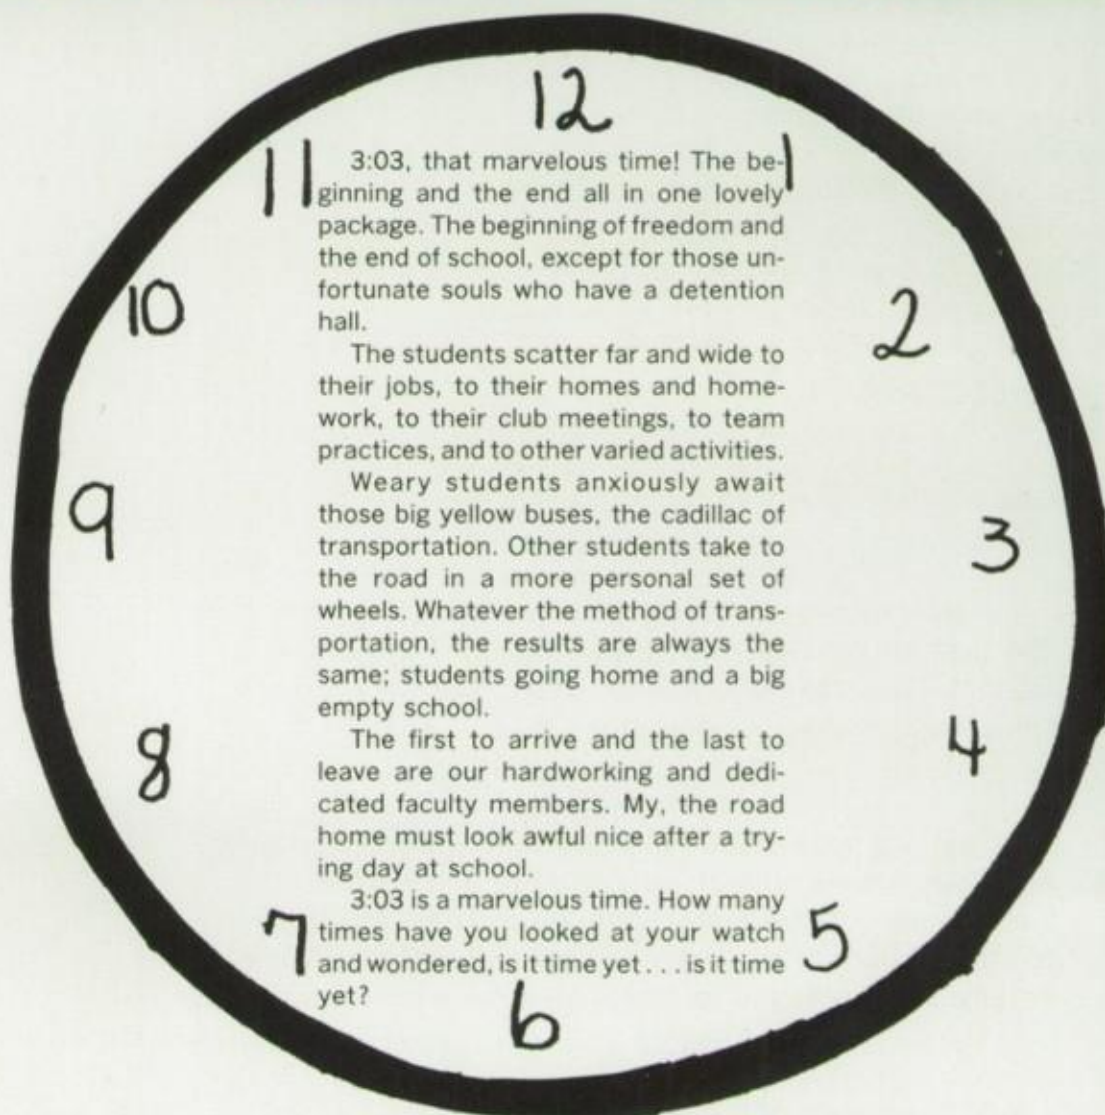

play for the New York Yankees. The Philadelphia Phillies won the World Series over the Kansas City Royals. The Pittsburgh Steelers won their fourth Super Bowl by defeating the Los Angeles Rams.

In 1981, the Oakland Raiders defeated the Philadelphia Eagles to win their second Super Bowl. Sugar Ray Leonard defeated Thomas Hearns (pictured on this page) in an exciting, evenly matched bout to unify the welterweight championship. The Houston Astro's Nolan Ryan pitched a record fifth no-hitter against the Los Angeles Dodgers. The Boston Celtics won the N.B.A. Championship.

Over the past twelve years, there have been many stars and many special moments in sports. As one can see, those years were truly filled with great sports action and excitement.

THAT MARVELOUS TIME

OUR FOUNDATIONS

If only the walls of these old buildings could talk, what would they tell? They would tell of all the good times of our childhoods. They would remind us of the very important lessons that we were taught as children. They would boast about the growing we did within them.

We then advanced to the old junior high. The walls there could write volumes about young people and their experiences. The long wooden hallways and tall windows will always stand firmly in our minds . . .

. . . No other classes, but ours can brag about being the first students at the New Archdale-Trinity Middle School. The walls there are not so old, yet, they too can tell a mighty story of days gone by.

At last, we have counted down the years; we soon will have our names appear on diplomas. The high school walls smile and cry at the same time. They give us the happiest years of our lives, and they watch us mature. When these walls bid us farewell, we are on our own.

Yes, if the walls of these old buildings could talk, I do wonder what they would tell.

IN DEDICATION

"NO SOONER SAID THAN DONE—SO ACTS YOUR MAN OF WORTH."

MR. JOHN KEARNS

The dedication of the TRINHIAN is an important decision made each year by the senior class. This year when the ballots were passed out in senior home-rooms, each senior felt the responsibility of choosing the one person most deserving of this tribute. Because only one person from Trinity High School can be given this honor, you can believe that this person must be pretty wonderful! That is why the Class of 1982 dedicates this year's TRINHIAN to Mr. John Kearns. He is wonderful!

Mr. Kearns has served as an assistant

principal at our school for several years. During this time he has also been a devoted advisor for the Students for Christ. Also a responsibility of Mr. Kearns has been the duties of school disciplinarian—one who disciplines with love. He is a friend to all here at Trinity—a man we can truly count on.

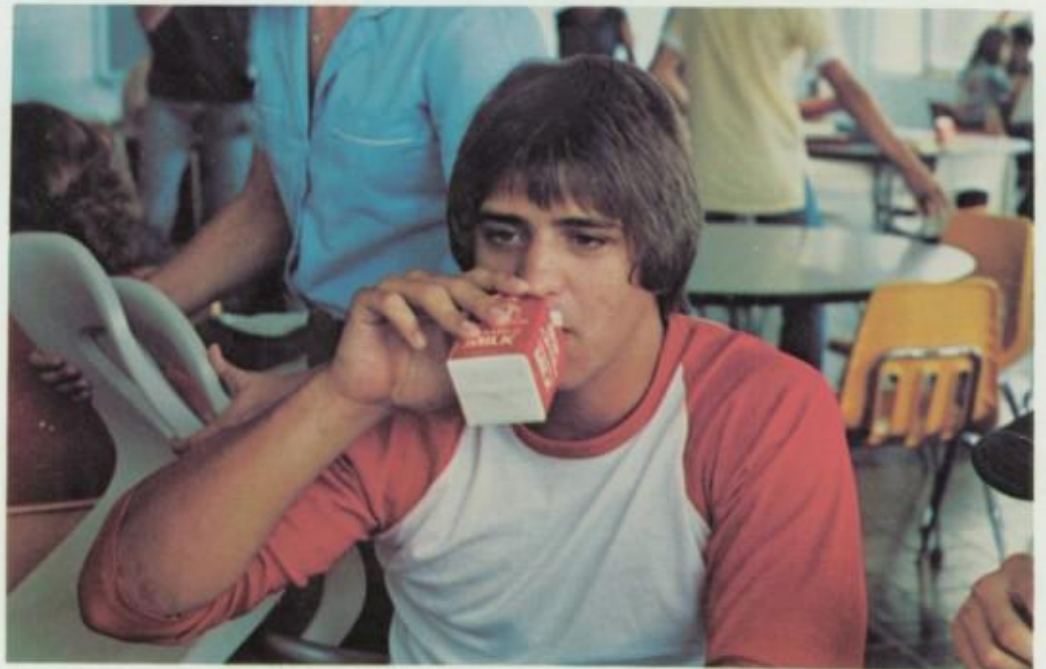

Mr. Kearns serves as an inspiration to each life he touches. Anyone who has not had the opportunity of knowing Mr. Kearns has truly missed something special. There are not many men in the world like Mr. Kearns and he is a real

blessing to our school and community.

While many high school names and facts are forgotten after graduation, Mr. Kearns will always hold an important place in our minds, but more importantly he will always hold a very special place in each of our hearts.

We love you, Mr. Kearns!

TOP TWELVE SENIORS

Tim Bristow—voted "Most Athletic" by the Senior Class. Tim has participated in the Athletic Program at Trinity all four of his high school years. His outstanding sportsmanship and ability in football have brought him many honors. Tim has also excelled in basketball and baseball. Tim served as President of the Leo Club his Senior year and was also active in other clubs. Tim is one of the true leaders around T.H.S.

Pam Sullivan—voted "Best Personality" by the Senior Class. Pam has been active in various clubs including Junioresettes and French. She served as Treasurer of her Freshman Class, President of her Sophomore Class and Vice-President of the Senior Class. Pam served as Student Council President her Senior year. Her honors range from Homecoming Representative her Junior and Senior years to D.A.R. good citizen. Pam Sullivan "Who's Who among Trinity High School students."

Lisa Hayworth—Lisa has been a beneficial part of T.H.S. for the past four years. She was voted "Most Dependable" by the Senior Class, and has proven her dependability by serving as Editor of the *Trinhian* for the past two years. Lisa has been active in Beta Club, Keyettes, and other various clubs. We salute Lisa for her outstanding dedication to Trinity High School.

Mark Dobbins—one of those multi-talented persons upon which people depend. He has proven his abilities in art, and academics. Mark has served as an artist for the Annual Staff for the past two years. He was a member of the Beta Club and served as President his Senior year. Mark was voted "Most Intellectual" by the Senior Class. Everything you have done for good ole T.H.S. is greatly appreciated.

SHINING THROUGH

DeAnn Hobson—voted "Best Smile" by the Senior Class, is always smiling whether it is in class or in front of many people. She has been involved with the Beta and Monogram Clubs, Student Council, Keyettes, and Annual Staff. She has been a member of the cheerleading squad the past several years, and served as co-captain of the J.V. squad her Sophomore year and of the Varsity squad her Senior year. Keep on smiling, DeAnn!

Janet Smith—When one thinks of Janet, one thinks of a person that excels in all that she attempts. This fact was acknowledged by the Senior Class when they voted her "Most Likely to Succeed." Janet was a member of the French and Science Clubs, and the Student Council. She also served as one of the Secretaries of the Beta Club her Senior year. T.H.S. and those around her are fortunate to know such an outstanding individual. Best of luck in the future!

Brian Crenshaw—voted "Most School Spirited" by the Senior Class, has excelled in sports each of his four years at T.H.S. He has displayed school spirit by always cheering on his teammates. He was chosen by his teammates as captain of the Varsity football and basketball teams for his outstanding school spirit and leadership quality. The Trinhian staff would like to thank you for all your school spirit and support at T.H.S.

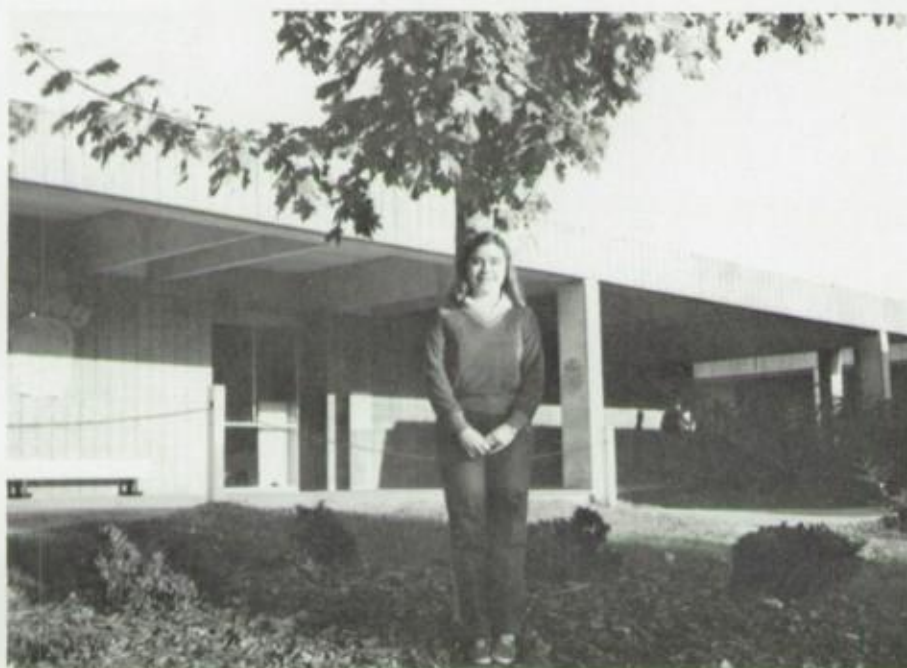

Robbie Saunders—voted "Most Bashful" by the Senior Class. Robbie may be bashful on campus, but he has disputed this title in football, in wrestling, and in track. He has been very active in sports during his high school years. He served as captain of the football team his Senior year. The people of T.H.S. will always remember Robbie not for his bashfulness, but for his pleasing personality and popularity on campus.

IN NINETEEN EIGHTY-TWO

Alan Collier—A person such as Alan is thought of with the highest of regards. He has been very active in various clubs at T.H.S. He has been a great asset to the debate team for the past four years. He was a member of the Beta Club his Junior and Senior years. Alan is known around campus for his intellect and manners. Thank you Alan for all the kindness you have shown to THS.

Dawn Stephenson—voted "Best All Around" by the Senior Class. She has played volleyball, basketball and softball every year at THS, and served as captain of each her Senior year. Dawn was on Homecoming Court all four years; was chosen as Attendant her Freshman and Sophomore years, and was crowned Homecoming Queen 1981. She has been very active in Student Council and has served as an officer of her class every year. Dawn is a true THS standout!

Lynn Grubb—a member of the Annual Staff, Anchor, Monogram and Beta Clubs. Lynn is the type of person who is always around when a helping hand is needed. Her dedication to T.H.S. has been proven in more ways than one. In addition to club activities, Lynn has been on the cheerleading squad for the past four years. Her school spirit and true concern for T.H.S. have made her a big asset to our school.

Mark Talbert—voted "Most Dependable" by the Senior Class. Mark is an all around guy who is truly dependable. His many talents have been shown on the wrestling mat as well as in the classroom. He has been a member of the FCA, Key Club, Student Council, Beta Club and the Monogram Club. He was also chosen as a Morehead Nominee. T.H.S. appreciates you Mark, and all the great things you have done for all of us.

SENIORITIS (sen yer i tis) n. An affliction involving high school seniors characterized by a short attention span, an apathetic attitude, and a strong urge to be out of school. But after the books are thrown aside and forgotten, what do the kids do?

Starting with the feminine gender, their first out of class priority is guys. It seems like everything girls do has some connection with attracting a male's attention. Some try to better their appearances, while others stick to the old-fashioned art of flirting, and a few brave ones get up enough nerve to talk to the apple of their eye.

"I hope this is irresistible," thinks Annette Spinks. (compliments of Thalhimers)

Below: Kathy Anderson finds Stewart's Sporting Goods a great place to meet guys.

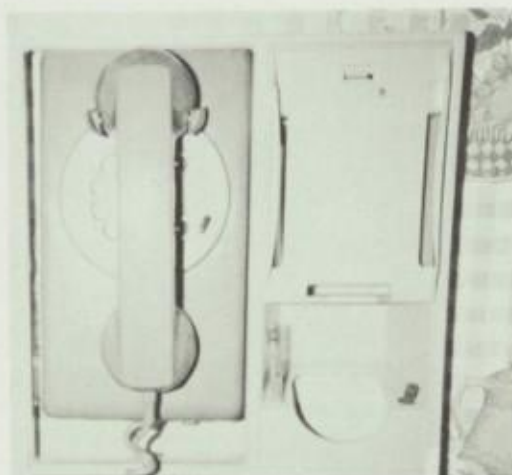

SENIOR LIFE ... WHAT GIRLS DO!

Most girls spend a great deal of time, and money, in shopping malls. They have the choice of being preppy, western, or a mixture of their own tastes. Whether it be IZOD or Polo, Gloria Vanderbilt or Calvin Klein, there is one look for impressing that special someone.

Make-up and fragrances also take up a part of the girl's spare time. Many hours are spent in front of a mirror experimenting with shades and colors to make noses smaller, eyes bluer, or lips more kissable. Picking the perfect perfume to lure a guy in her direction is like-wise essential to a girl's routine.

"Maybe Mom Can Charge It!" Linda Bulla tries on the latest fashions at Belks.

O.K., so what does a girl do with herself when she's bought a new outfit, copied the make-up of Cheryl Tiegs, doused her pulse points with a guaranteed cologne and still does not have a date? She usually picks up the trusty telephone and dials the number of one of her girl friends. The conversation naturally centers around the opposite sex and can last up to one or more hours.

Girls enjoy their complicated but fun lives and cherish this final year in high school.

Kaye Farlow and Wendy Brendle compare a Polo with an IZOD. (compliments of Crossroads.)

SENIOR LIFE ... WHAT GUYS DO!

Guys, like girls, also enjoy their final year at Trinity and want to make the best of every free moment they have out of the classroom. Of course their idea of fun differs from their counterpart's so they do different things after the bell rings at 3:03.

The men who represent T.H.S. on the playing field, the gym court, or the track field know what lies ahead for them after school. It's running suicides, pumping iron in the weight room, or getting a rowing pep talk from one of the coaches. What a great way to stay in shape and be an active part of T.H.S.

And last, but not least, guys spend a lot of time thinking about girls. With his final year in high school fast becoming past history, he does not want to be tied down with only one girl but would rather play the field. Even though women's lib is quickly changing this requirement, it is still traditional for the boy to ask the girl out. With this problem comes many hours of deliberation and consultation with other guys on what technique would persuade a girl to go out with him. But not every guy gets the girl, so when this situation occurs, the guy finds himself passing free time at the local burger joint with others in the same predicament.

BABY HUEY RIDES AGAIN!

But not all guys are athletes, some would much rather be under the hood of a car instead of under a helmet. At 16, it was thrilling to be behind the wheel of any car, but as a Senior, many have saved up enough money to buy their dream machine and they spend many hours keeping their cars in top form. For these guys, spare time is a desperate necessity and every minute of it is usually spent repairing, restoring, or just washing and waxing their cars.

SENIOR LIFE ... EQUALITY!

At least they give Ronald an air hole at Bojangles.

While it is a fact that the male and female genders are quite opposite, it is just as true that the two sexes have a lot in common. Today it may be known as 'equality', but whatever the title may be, the contents are: having similar thoughts and interests, hopes and dreams, and joys and disappointments.

Seeing each other throughout the school year—year after year—tends to bring people together. And by the time that the 12th grade year has arrived, seniors are so close that they forget that the opposite sex is "yucky" even though that was the conclusion in Grade #1. As a matter of fact, long before the senior year, girls and boys have discovered that it is pretty fun to be together. Thus, relationships are formed. It is a common occurrence to see guys and girls walking to class hand-in-hand. On many girls' hands there

is a big bulky class ring to be found that symbolically represents her boyfriend's feelings for her. The big question during this time is, "Will it last forever?"

Besides doing things together, there is a number of things that girls as well as boys like to do. Have you ever been uptown on a Saturday night? 'Cruising Main' is a pretty popular pastime. Stopping at a stoplight provides the opportunity to see if what is in the sports car beside you is something tall, dark, and handsome or something blonde and beautiful.

It's also fun to get the gang together for pizza after a movie, ballgame or anytime.

Since money is quickly becoming the name of the game, part time jobs are taken by many seniors.

Everything isn't all fun and games as seniors feel more pressure at this point in their lives than ever before. Everybody finds him or herself taking the SAT on Saturday morning rather than sleeping late, and both genders worry about the morning that they will wake up, graduated from high school, with tomorrow having become today.

BEST PERSONALITY (right): PAM SULLIVAN and JAY DAVIS

Pam and Jay are the type of people that Trinity High students always look forward to seeing. Their friendly "hel-lo's" make them a positive asset to our school.

MOST LIKELY TO SUCCEED (below): JANET SMITH and STEVE FRYE

When Janet and Steve were chosen Most Likely to Succeed, who thought that their success would result behind bars? Oh well, that's what you get when you embezzle money from your own company.

MOST INTELLECTUAL: LORIE WHITE and MARK DOBBINS

We expected to find Lorie and Mark with their noses behind a volume of the World Book Encyclopedia . . . instead we caught them playing with some pre-school toys. Whatever they do, they'll never lose the dignity of being chosen Most Intellectual.

SENIOR
SUPERLATIVES

BEST SMILE: DeANN HOBSON and RONNIE BREWER (below)

DeAnn and Ronnie are every dentist's dream. Seeing their pearly whites brighten up our days and encourage us to flash a smile of our own.

MOST DEPENDABLE (left): LISA HAYWORTH and MARK TALBERT

Got a problem? Never hesitate to call on Lisa and Mark to lend a helping hand. They always come through . . . no matter how grimey the situation may be.

MOST TALENTED (below): LISA STUNDA and RICKY HARRIS

These are two of the most multi-talented students at T.H.S. Their theatrical and musical talents have entertained many Trinity people throughout many performances.

MOST BASHFUL: LINDA HARRELL and ROBBIE SAUNDERS (left)

Don't let the title fool you! Linda and Robbie are great people to know; their bashfulness makes them that much better.

BEST DRESSED: DARA BOYLES and RICHARD McCOY

Jordache, Halston, Calvin Klein, DARA BOYLES, RICHARD McCOY . . . These are just a few of the high-fashion names. Around Trinity, Dara and Richard are always in style.

MOST SCHOOL SPIRITED: SUSAN ANDREWS and BRIAN CRENSHAW

RAH! RAH! RAH! Throughout the years Susan and Brian have taken pride in being Bulldogs. Their outstanding leadership brought spirit to the entire student body.

BEST ALL AROUND: DAWN STEPHENSON and SCOTT SWIGGETT

School involvement and participation in sports, clubs, and academics—not to mention a good personality—define what it takes to be "Best All Around." Dawn and Scott definitely have all these dynamic qualities . . . and more.

MOST MISCHIEVOUS: SYNDIE EARNHARDT and ROBERT GOINS

The life of the party. Syndie and Robert are always up to good, "clean-shaven" fun. They are FUNtastic.

MOST ATHLETIC: LEA HOLLINGER and TIM BRISTOW

When it comes to athletic ability Lea and Tim have it! Not only do they have fantastic skills, but their attitudes are just as super. And these two qualities combined have brought about many Bulldog victories.

PRIDE! That's what describes these students! To play football, to play baseball, to wrestle, to sing in the chorus, to play volleyball, to play in the band, to play basketball, to play tennis, to run track, to play golf, to cheer, or to be in debate for four years is a big accomplishment that shows love to your school. All of these people meet the requirements. To have pride in your school, you have to be dedicated to it. Each person in this section has certainly been dedicated to Trinity High School. Their endless hours of practice at home and their extra work before and after school turned out rewarding!

This is the second year of having "Bulldog Pride" in the Trinhian. The guidelines did change a little from last

BULLDOG PRIDE

year. To be able to appear in this section, you must have been in any sport, any musical area, or debate all four years of high school. To choose and pin point these, and only these people, is much more of an honor. "Bulldog Pride" from now on will be one of the Trinhian's traditions!

If it were not for students like these, Trinity High School would be like a dead world. Getting involved, making new friends, having a great time, and supporting your school, actually makes Trinity High School what it is today! The following forty five people are good examples for an ideal student with qualities of dedication, trust, and fidelity! Congratulations to all of you seniors for making it this far!!!

OUR COACHES

Our dedicated leaders are as follows:
(front row) Dirk Gurley, Harold Smith,
Larry Walker. (back row) Mike Steed,
Tim Allgood, Bill Hayworth, and David
Spell.

These three players are the team's captains. They worked hard to guide the team. They are as follows: (left) #88 Robbie Saunders, (below) #23 Tim Bristow, and (right) #20 Brian Crenshaw.

The above two pictures show the team hard at work the first week of August. That first week is full of sore muscles and hot weather. Our team did endure the week to become a big success.

OUR WINNERS

For four years in a row, our team had not won a conference game. These losing records affected the community, the coaches, and the players. The team members always started August first practicing their hearts out. They spent hours on end preparing for games, but the results were always the same: no conference victories.

The 1981 season started out very much the same as usual. Practices began August first and so did the hours on end. There were two slight changes this season: a hungry lust for a victory and a special spirit in the air. The cause for the lust for a victory was obvious by the records of the preceding four years. But what caused the special spirit in the air?

August 28 arrived, and Trinity beat Ledford 14-6. The joy was overwhelming, but

this still was not a conference win. The next week on September 4, the Bulldogs lost to Southern Guilford by a score of 6-8 which depressed the team. This loss however did not make the team give up hope.

September 11 was a date in Trinity's football history to always be remembered. The special spirit was discovered when Trinity defeated Davie County 25-20 for the first conference win in four years. The feeling of that special victory could not be expressed in words.

The next big game was September 18 against Thomasville. It was the battle of the Bulldogs, and what a battle it was. At halftime, Trinity was

winning the fight; in the third quarter, Thomasville took the lead. The fourth quarter proved to be the most exciting quarter of the game. When the time had ticked off the clock, the score was tied 28-28. Due to a recent rule change in the North Piedmont Conference, the battle had to continue until one team was victorious. Thomasville turned out to be victorious, but Trinity put its head up and said "Look out Lexington!"

The next two games were low spots for Trinity; the Bulldogs lost to Lexington and to West Rowan. Following the low spots came a big highlight for Trinity; it was Octo-

ber 9 versus Salisbury. The Bulldogs played a super game and defeated the Hornets 31-27. This tremendous victory was due to the winning attitude of the team and Tim Bristow who rushed for 266 yards.

Asheboro was the next game. The Bulldogs lost, then possessing a 3-5 record. October 23 was the big date on their schedule because it was Homecoming. It rained all day that Friday, and the game was postponed to Saturday night. The postponement in the game did not affect Trinity's playing ability at all. With two seconds left on the clock, Trinity scored a touchdown and a two-point conversion to win the game. The

The Bulldogs are warming up for a victory!

Last minute talks are made before the team takes the field.

team must have felt great to have won the first Homecoming game at Trinity in a number of years.

A great deal of pressure was pending on the concluding game of the season. The Bulldogs were striving for a 5-5 record which had not been achieved since 1977. Trinity travelled to North Davidson to win their goal. They beat North Davidson 30-19.

The season was concluded successfully. Every player and coach could be proud of the job that they had done this season. Bulldogs, the TRINHIAN staff, the student body, and the faculty salute you for a job well done.

The terrific sight of a touchdown is seen.

Senior Robert Goins watches the game intently.

Homecoming Week—the week that we all were waiting for since the first day of school. It was finally here with all of its surprises and excitement! The Student Council planned an event for each day. Monday was Western and Farmer Day. To go along with all of the cowboy hats, overalls, boots, and Indian feathers, it was also Lickem' Day. Tuesday was set aside as Jersey Hat, and Stuffed Animal Day. What a pretty picture—someone wearing a jersey on his back, a hat on his head, and holding a teddy bear in his arms. Guess who visited our school Wednesday of that week? —Lavern and Shirley, Shelly Winters, Robert Redford and other famous actors and actresses. The reason for this was because it was Movie Star Day. Also, to go along with this, the guys had to keep quiet in front of the girls. It was Hushbutton Day. If you were an athlete, Thursday's dress was a cinch. It was Athletic Day. Just as long as you wore blue or white, you fitted in perfect! Friday was the big day!! This day told the theme for the 1981 Homecoming. Walt Disney World came to Trinity!! You saw Tinkerbell, Dumbo, Winnie the Pooh, the Seven Dwarfs, Peter Pan and many, many more. During Sixth period, the pep rally was held. Because of the bad weather, the Homecoming pep rally took place in the gym. Never-the-less, it turned out to be GREAT!! Pam Sullivan, Student Council President, got things rolling in a terrific manner. The contests started, the yelling continued throughout the afternoon and the excitement was unbreakable!! The Senior Class took the lead in the chug-a-lug, snake-skin, and basketball contests. They also displayed their school spirit by having the best class float! The club with the winning float was the Key Club. Winning the chain link contest was the Sophomore Class. Coming close in second place was the Senior Class. The third place winners were the Freshmen Class and coming in fourth was the Junior Class. The winner of the "Pretty Legs Contest", sponsored by the Key Club, was Mrs. Judy Sullivan. Winning the "Big Man on Campus Contest", sponsored by the BOSS Club, was Frank Small. Homecoming balloons were also seen at the pep rally and at the ballgame, which were sold by the Juniorette Club.

Anxiety, fear, and joy were the feelings the crowd experienced that night at the ballgame. The Trinity Bulldogs played the North Rowan Cavaliers. The Bulldogs played excellent on defense throughout the game. At half-time, the score was 0-0. Even though we had not scored, half-time was full of excitement and happiness. Dawn Stephenson was crowned 1981 Homecoming Queen. After half-time, the Bulldogs were raring to go! Unfortunately, North Rowan took the lead and led 15-8. With 1:03 left on the clock near the end of the game, a David Barnes' pass to Brian Crenshaw made the score 15-14, still North Rowan's favor.

With two seconds left on the clock, Bristow ran the ball in for two extra points, making the final score, 16-15. Trinity won—what a way to end a great Homecoming week!!

THE

Football—it's not only a game of winning or losing but a game of heart, of pride, of teamwork, and of dedication. The 1981 Junior Varsity Football team contributed all this and more to their games and now they can truly say that they have COUNTED DOWN their season with victory.

The freshmen and sophomores played together for the first time this year and together showed much improvement as the season progressed. The jayvees learned a great deal from the varsity coaching staff about the defense and offense played at Trinity.

Led by coaches: Harold Smith, Larry Walker, Tim Allgood, Mike Steed, Bill Hayworth, and Dirk Gurley, the jayvees got ready for their first game against Ledford. The Bulldogs pawed the Panthers that night by a score of 44-6. Winning their first game gave them much inspiration and they went on to defeat the Southern Guilford Indians 24-12. Whether we won or lost, the Bulldogs continued to show this determination and devotion throughout the year.

Through many hours on the field and in the weight room, our jayvee team showed that hard work and a lot of spirit will go far in being the best.

THE J.V. FOOTBALL TEAM

TIME: 7:30, November 3rd
PLACE: Trinity High Stadium

The time and the place were right and the annual Powder Puff Football Game was marked with fun and excitement from the first play to the last.

In the first quarter there were two fumbles and an interception. Connie Barrier helped the Senior/Sophomore team off to a good start, by running sixty-yards for a touchdown with seven seconds remaining in the first-quarter. After quarterback Pam Stepp passed to Karen Stamey for a two-

point conversion, the score was 8-0, Senior/Sophomore class' favor.

The second-quarter of the game was much like the first-quarter. Once again, with 2:46 remaining in the second quarter, Connie Barrier ran for eleven yards for a touchdown, which put the Senior/Sophomore classes ahead, 14-0.

Karen Stamey caught her second pass of the evening to make the score 16-0 at half-time. The third and fourth quarters were scoreless, which left the game at 16-0, the Senior/Sophomore classes winning.

"The 1981-82 Boys' Varsity Basketball faced many new challenges during the season. During this year, the Bulldogs brought respect and dignity to the Trinity Basketball program.

Even though we were faced with early season difficulties, with the leadership from several returning players, the Bulldogs put forth a challenge to all of the traditional basketball powers in the North Piedmont Conference. If games were played for three quarters instead of four, we would have been a challenge for a place in the top section of the conference."

—Coach J. Burchette

As with any other sport, being a member of the Boys' Varsity Basketball Team requires quite a bit of drive and stamina. There is an endless number of practice sessions that the players must endure in order to "look good" on the court. Throughout practice, the guys "Counted Down" to Tuesday and Friday nights. Playing on those nights made the long practice sessions worth it all. Sometimes, however, the games were played away from home—meaning a long, cold night on the road. And sometimes there was the agony of defeat.

Who, then, would want to be a basketball player? Well, it takes special people. And Trinity High School found twelve of them.

Here's to the team!

Always Reaching for the Top

The girls and the coaches on these two pages were "always reaching for the top." Neither defeat, injury, nor bleak night could stop them.

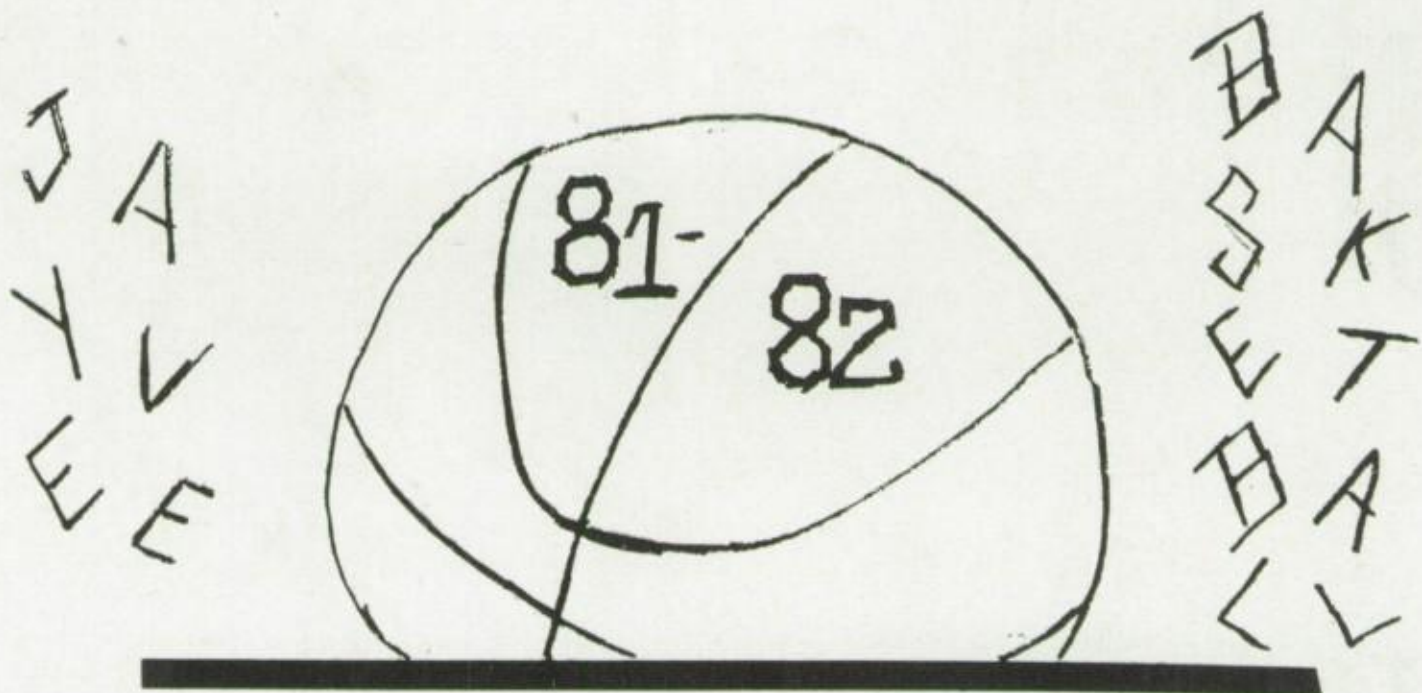

The varsity girls' team did not hold the best record in the North Piedmont Conference for victories, but they did for determination. They did not take anything sitting down. They were always up and fighting. For instance, the game against Ledford went into triple overtime. Even though the final score was in Ledford's favor, the presence of endurance, determination and initiative was evident for Trinity's Bulldogs.

With only three seniors graduating, the future looks bright. There will be seven returning juniors and one returning sophomore. Keep up the good work, and the fans of T.H.S. will look forward to seeing your winning determination on the court next year.

It's just a ball . . . Until it comes in contact with a Bulldog player. Then in his hands, it becomes a precision tool just as the scalpel is to the surgeon. The players were taught this at tryouts and those who could handle it were chosen and those who couldn't were cut. The team consisted of a mixture of freshmen, sophomores, and juniors. They showed much desire and technique. The freshmen had a chance to play against good competition and contributed greatly to the team, while the sophomores and juniors, got valuable experience for varsity. Throughout the season the jayvees showed outstanding performances by winning many games and losing some only by a few points. The leadership of the juniors: Aaron Anderson, Lloyd Roberts, and Craig Steele led the team to many victories. Coach Allgood and his expert guidance proved to be a great asset to the jayvees season. Much appreciation should be given to him. After the players have gone to shower, the floor is empty, and the fans have left, happy or sad, still the hours of anticipation are COUNTED DOWN until the next game.

Lady Bulldogs showing their style!

Can't stop
the
Bulldogs!

Our J.V. girls were off for another season when Nov. 23 arrived. They started their season off right by winning their first game against S. Guilford. Despite a tough schedule, the girls won more games than they lost. The team depended on Tabitha Clampitt, (returning), Pam Call, (returning), Karen Poole, (returning), Lisa Foster (returning), Kris Swiggett & Sherry Cooper. Although they were a strong group, the team's strength also included; Lisa Smith, Michelle Wheeler, Natalie Vinson, Angela Lawrimore, Gayle Earnhardt, Carol Hardison & Rita Stratton. Their record was a definite improvement over last year with their record standing at 7-5 in the conference and 11-9 over all.

Their desire to win as a group left an impression of a hardworking, responsible team that T.H.S. and the surrounding community have come to respect!

If you want a sport that is considered as much an individual sport as a team, then wrestling is for you. Our wrestling team proved to be tops throughout the season with only two losses—one of those in conference.

The team went to many tournaments and always brought home something to show for their efforts. For example, at the Morehead Invitational, Marty Sechrest won Most Outstanding Wrestler in the tournament. At the Trinity Invitational, eight teams including Trinity participated. This tournament was handled entirely by THS Grapplerettes. It was a new experience for all, but they came through in flying colors. Mark Talbert and Bruce Norman won Outstanding Wrestlers in their weight classes as Trinity held the most points in counting down to first place.

The team will be losing many of their outstanding members due to graduation. But with much hard work, Trinity Wrestling, a Piedmont Conference Tradition, should continue.

"Getting a hit is ... Todd Gurley."

The Junior Varsity baseball team enjoyed a fine season in 1981. They finished with five wins and five losses. Dominated by freshmen, the team still showed great skill and team spirit. The J.V. team gained much valuable experience during the season and hope to improve as their high school years pass. The team relied heavily on their pitchers, Todd Gurley and Jerry LaPoint. The J.V.'s dominated their fourth game against Central Davidson. In that game, LaPoint pitched a three-hitter, went three for four at the plate, and struck out 14. In the fifth game of the season against Ledford, Gurley struck out six in a route-going performance. The team was coached by Mr. Allgood who helped them gain experience. The team practiced through hot weather and tough practices.

COACHES:

Better than it's ever been before ... And how good it was! To the Bulldogs winning is only a taste of success, but teamwork takes it all!

Our Bulldogs COUNTED DOWN the year of 1981 with excellent teamwork and pride from the first tryouts to the final victory over the Thomasville Bulldogs.

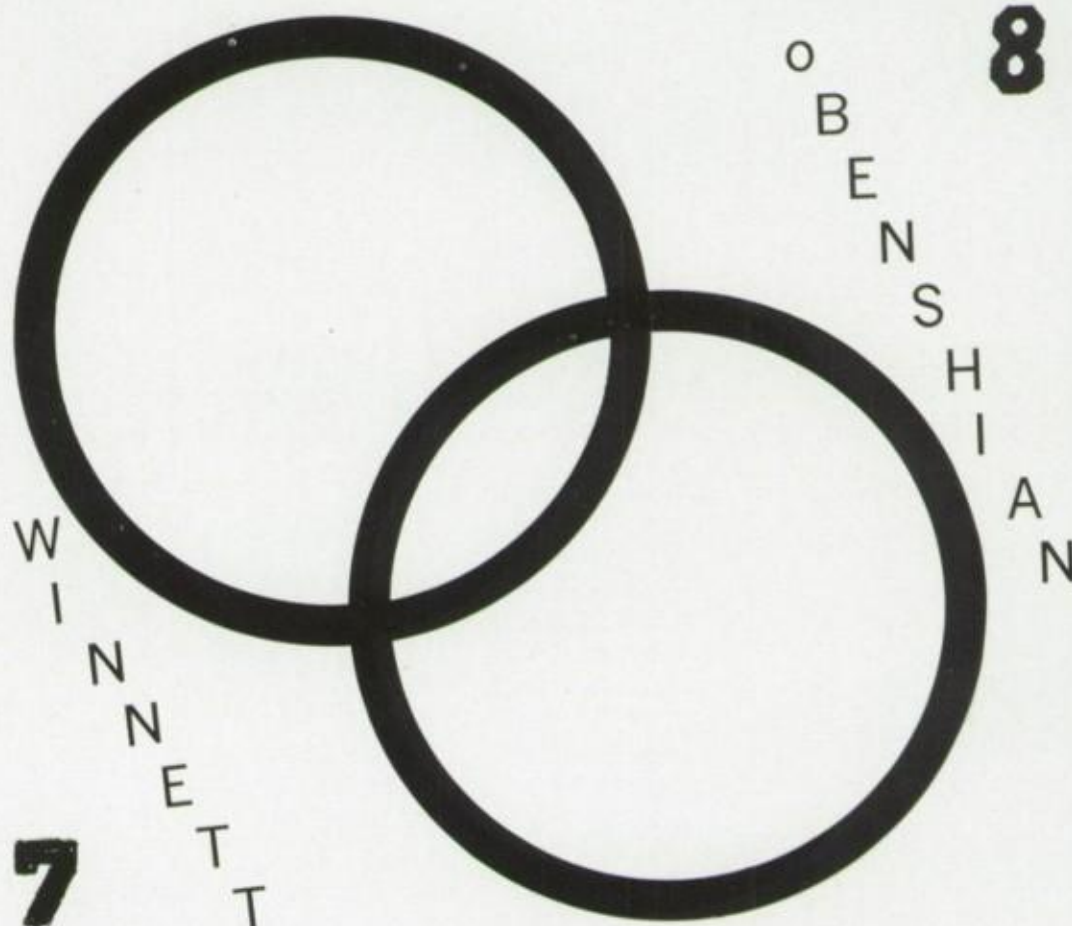

Competition for the fourteen varsity baseball spots began in February when all the action got going. There were many prospects for becoming one of the dedicated Bulldogs. Practice was hard and rough, but when the top fourteen were chosen, you could tell they were the ones who could beat the heat!

By the time March 6 rolled around the Bulldogs were fired up and ready for the first game against Southern Guilford.

The season of 1981 tied the best record that Trinity had ever had since becoming a 3-A school. They were 8-12, which showed a very outstanding year.

Lead by coaches Winnett and Obenshain and the team captains: Mark Barnes, Billy Corn, and Todd Armstrong, the Bulldogs were able to defeat Southern Guilford, High Point Central, West Rowan, West Davidson, Thomasville, North Davidson, and Salisbury. They were defeated only by one run on several occasions.

The student body of Trinity High School would like to give special recognition to Mark Barnes for receiving All-County and Billy Corn and Bill Bass for receiving Honorable Mention.

The 1981 Trinity girls track team had a successful season. They were among the top competitors in the conference. Jennifer Harris was most valuable player with a leading score of 137 total points for the season. Her strength was in long distance events such as the mile run, 2 mile, and 880 run. Connie Barrier consistently placed in the 2 mile, and was nominated for All Conference. Linda Harrell was tops in the 880, Sandy Grubb and Susan Rich were leaders for the mile, while Beth Henkel was 4th in the conference for the high jump event. The girls' team finished in 2nd place in the Randolph County Track Meet and placed 4th in the North Piedmont Conference Meet.

The boys also did well during the season. Their leading scorer was Robbie Saunders in the discus and shotput competition. He was voted most valuable player and Barry Stutts was voted the most improved player. Other team members who showed off their excellence were Craig Steele for the long jump, 880 and 440 relay team, David Hill for the 220 dash, 880 and 440 relay team, Barry Stutts for the 1 mile and the 2 mile run, Jerry Wojciechowski for the shotput, Darren Long for the 300 meter race and low hurdle, Tommy Brown for the 800 meter run and relay team and Charles Chapman for the 200 meter dash and the 440 and 880 relay team.

All in all, the Trinity Track team proved that the Bulldogs take pride in what they do and that to reach ones goals it takes determination and hard work! The Trinhian staff would like to thank you for a job well done and congratulate you for a super season!

Trinity Track Team clears hurdles toward a victorious season

Jennifer Harris was the most valuable member of the girls track team this season. As the top scorer in the conference and All Conference in the 100 meter hurdles and triple jump, she proved she was the best. She traveled to Salisbury to compete in the local TAC Jr. Olympics where she won 1st place in the 400 meter dash, 100 meter hurdle, long jump and the triple jump. She then traveled to Charlotte to compete in the area TAC Jr. Olympics. Here she won 1st place in the long jump, triple jump and 400 meter dash and 2nd in the 100 meter hurdles. Later, she went to the State TAC Jr. Olympics in Durham. She placed 3rd in the 400 meter dash and 100 meter dash and 4th in the triple jump. She was 2nd to qualify for National Competition in Lincoln, Nebraska, where she finished 5th in the nation and she received a gold medal. The Trinhian Staff would like to congratulate Jennifer Harris for representing our school and doing a great job.

Team Strategy!

Ready, Set, Go!

What's Up Doc?

This year's squad got off to a great start to make Trinity volleyball the best it could be. There were goals set for both the team and the players, so that the volleyball team would be a team Trinity could be proud of. Many of these goals were accomplished and Trinity finished the year with the most successful season in the history of girls volleyball at Trinity.

They defeated North Davidson and Salisbury to capture their first double-header win. This was the first double-header win ever at Trinity. The overall record for this season was 6 wins and 18 losses. Even though the record does not sound very successful, Trinity girls were a threat in the North Piedmont Conference. They lost 4 matches to Thomasville by scores of 18-16, 17-15, 20-18, and 18-16. Thomasville was second in the conference. Trinity defeated Davie County one match out of three each time the two teams met. Davie County finished first in their Conference.

Strengths of the Trinity Team were:

Setter's—Stephanie Bundy and Cheryl Parris, and Hitter's or Spiker's—Karen Lucas, Karyn Kennedy, Lori East, and Lea Hollinger

Most Valuable Player for the year was: Karyn Kennedy and Most Improved Player for the year was Kris Swiggett.

Reserves, Sherry Cooper and Kris Swiggett added great enthusiasm and support to the team. We congratulate Coach Roberts and her team for a "JOB WELL DONE".

GOLF TEAM 1981

The golf team worked hard last year but only had a fair season. They won every match they played with West Rowan. The team was led by Brian Skeen. Skeen won all conference and traveled to Lexington for the sectionals, where he shot a 72, one stroke away from qualifying for the state tournament.

The usual concentration of the team Frye as the victim.

(back row) Coach Danny Johnson, Scott Swiggett, Lee Heilig, Doug Pickett, and Bobby DeVries.

Tennis took a new swing this year with a bigger and better team. There were nine players on the fourth year team.

Long and grueling hours of practice were spent to put Trinity's #1 netters on the top. Mr. Johnson, who was the team's coach, demanded many hours of practice at Creekside Park to perfect his team's skills. So much practice was put in before a big game that it seemed the team was always practicing. But it was all worth it in the long run and it was apparent in their polished and perfected techniques.

The captains of the team were Mike Eller and Doug Pickett. They both played strikingly well and were hardly ever defeated. They were continuously striving for perfection and for the goal of making the team better than ever.

The team lost a few matches, but they were all such good sports about it. The tennis team is still #1, no matter if they win or lose. They are Trinity's champion tennis team forever.

The University of North Carolina at Greensboro is a co-ed university and is state supported. It was founded in 1891 as State Normal and Industrial School. The present name was adopted in 1963. It has approximately 8,800 students. Tuition and fees total about \$630 for state residents and \$2,200 for nonresidents. There are dormitories, dining halls, sororities and fraternities, and a limited number of scholarships, college loan funds and NDSL funds. Special academic programs include the Residential College Honors Program, Interdepartment Studies, International Studies, Women Studies, Pro-

fessional Programs, Studies Abroad and a Plan 2. UNC-G is a member of the Greensboro Regional Consortium, allowing students to cross-register for courses at Bennett, Greensboro, Guilford, and High Point Colleges and at North Carolina Agricultural and Technical State University. The college also has several types of aids that are available to assist deserving students in meeting the costs of attending UNC-G. They include scholarships, grants, loans and student employment. These awards are based on a student's financial needs.

Our cafeteria workers at Trinity High School have had a tremendous job to do this year—cooking for 1200 people! Throughout the year, their kindness, generosity, and overall outstanding personalities have gone unrecognized.

We know that the food must be good because if you happen to be standing anywhere near the cafeteria when the lunch bell rings you're usually not there by the time the second bell rings.

Ruby Welborn, the head cafeteria worker, has kept the cafeteria running well and we are very proud to have her at our school.

For the long hours and hard work the cafeteria staff has put into preparing our lunches, we would like to recognize and thank them.

Oh! It tastes sooo GOOD!

Have a problem? Not sure about life after high school? The answers to these questions are closer than the yellow pages and quicker to receive than an Ann Landers' response. For a student at Trinity High, help can be found in the guidance department from either one of our three guidance counselors. Mrs. Kennerly, Mrs. Mills, and Mrs. Carrigan always have an open ear and most of the time a solution to benefit any situation. For the junior who is worried about an upcoming SAT, they can provide needed information and sample tests to prepare the student before the big day. Proof of their abilities appears when a high score is returned to the relieved student.

Beverly Carrigan

The guidance counselors also come in handy to the senior who faces graduation and is totally confused about what happens when he returns from the beach. Again it's our three heroines to the rescue! Colleges are laid out in detail, applications are filled out and mailed in; and scholarships are suggested to fit the financial need of the student.

In accordance with this, Mrs. Mills, Mrs. Kennerly, and Mrs. Carrigan are highly trained to be substitute psychiatrists able to make family problems, friend problems, or teacher problems a little more bearable. They do not mind hard work and would be thrilled to know that they are helpful to the students at T.H.S. So whether you have a problem or not, stop by their offices just to say hello.

Patsy Robbins

Without the help of two other wonderful ladies, Mrs. Robbins and Mrs. Heilig, the guidance department and in fact the whole school would not be the smooth running system that it is today. Like finely tuned instruments, with their typewriters, files, and mountains of paperwork, these two keep harmony going between the faculty and their lesson plans.

Mrs. Robbins can be seen every day behind a usually decorated desk in the guidance department. She is the third hand needed by the guidance counselors to fill out forms, type records or any other job that takes a heavy load off of the counselors. The voice of Mrs. Robbins can also be heard over the intercom making announcements to the students throughout the day.

Mrs. Heilig is mainly the teaching staff's angel in disguise. Her jobs involve typing worksheets, xeroxing papers and many other tasks designed to give the teachers that extra needed time to do their jobs more efficiently.

To these two dedicated women, we give a pat on the back and a big round of applause!

Miss Beverly Crotts

There are many people around Trinity High School who do not receive just merit for the amount of pride and care that they put into our high school years. This year, the TRINHIAN staff decided to recognize one of these "unsung heroes" by means of a TRINHIAN SALUTE. We chose Miss Beverly Crotts as the recipient of this salutation because of her dedicated teaching and positive attitude towards Trinity High School.

Possibly the care that Miss Crotts puts into THS stems back to the fact that she herself graduated from Trinity. Now, she teaches a variety of History

*"Only those who
care for others have
others who care
for them."*

courses at Trinity, and is also an advisor of the Trinity High School Chapter of the National Beta Club. This organization requires much of Miss Crotts' spare time—if a teacher has such a thing.

To be a teacher takes a special type of person, and not everybody is cut out for this profession. Miss Crotts has what it takes in the "Countdown" to being a most remarkable teacher and person.

For this, the TRINHIAN staff salutes Miss Beverly Crotts.

The annual tapping ceremony was held on Oct. 12 and 17; new members were inducted. That night a reception was held for them in the school cafeteria. A month later, a covered-dish supper was held in which the newcomers were awarded with pins and certificates. They have also been active in

maintaining the beauty of the campus by keeping their area clean.

They have participated in many service projects. Some of these were as follows: ringing the bell for the Salvation Army at Christmas, riding in a Bike-a-thon for Leukemia, and honoring the teachers with a Secret-Santa project. The club traveled to the District Convention in February in which Annette Spinks, district secretary served the club well. Also, they attended the State Convention

in March. The advisors for this past year were Mr. Roy Allen, Ms. Beverly Crotts, and Ms. Rhonda Nichols.

The 1981-82 French Club enjoyed a very relaxed membership this year. They traveled to Winston-Salem to a French restaurant called "Berry's" for some truly exquisite French cuisine. They also made a trip to an authentic French chateau, the Biltmore House. The French Club continued the tradition of French caroling at Christmas time which ended with a party and much fine food. During Mardi Gras, they had a scavenger hunt and crowned a new Mardi Gras king and queen. They celebrated another fun filled year with a French dinner that entailed many different French main dishes and many scrumptious desserts. The "Class of 1982" regrets leaving the T.H.S. French Club behind, but they will always treasure the happy times that they enjoyed with their "foreign friends!"

FUTURE TEACHERS OF AMERICA

The F.T.A. members of 1981-82 honored the teachers during American Education Week. They held a drawing for two gifts in which one teacher and one student won a prize.

They went to the Regional Conference at UNC-G. They have begun to prepare a scrapbook to be judged in competition at the next Regional Conference.

They planned to visit other schools in our community in the spring. Archdale Elementary, Trinity Elementary, and Archdale-Trinity Middle School are among the ones to be visited. During these visits, they will observe classes and assist if asked by the teacher.

The job of a Bus Driver has much responsibility and care for his fellow students—to get up at the crack of dawn and to drive for two hours even before they get to school.

They've had many fun times. On October 27, a steak dinner was given in their honor and on December 14, they also had a pizza party.

To remind them of the fond memories of their school year, they have ordered bus jackets. The Trinity High students appreciate a job well done.

Orientation for freshmen, Homecoming Week, Spirit Week, Christmas Talent Show, Sweetheart Valentine's Dance, Crazy Olympics. Do these activities bring on some pleasant and/or crazy memories? These activities are all quite different, and yet they all hold one thing in common—they are all provided and overseen by the Trinity High School Student Council.

This organization is a very important part of our school. Under the dynamic leadership of President Pam Sullivan and the other officers, the 32 Council members make our school a much brighter place. And of course, many thanks must be given to Mrs. Judy Sulli-

van and Mrs. Shirley Ludemann, Sponsors.

Many people are unaware of the large amount of time that goes into serving on the Council. This amount is enormous. This year's Student Council was elected in the preceeding Spring, and immediately the planning began. Before school even started, these THS students gave up some of their summers to make sure that this year would be a success. But the remarkable thing about it all is that the Student Council members don't seem to mind. They work and work, and then they work some more to make the year as exciting as possible.

This organization has long had

the reputation of taking pride in Trinity High School. Well, the previous years have only been a "COUNTDOWN" to #1, and the Student Council of 1981-1982 is truly the best:

It would be a difficult task if one had to choose a Student Council activity that he or she enjoyed more than any of the others as there are so many to be chosen from. Needless to say, the Student Council has something for everyone.

Student Council members: Thanks for being such a caring organization, and for making so many things possible in 1981-82.

Congratulations for a year well done:

Trinity Blue Crew

Marching Band 81-82

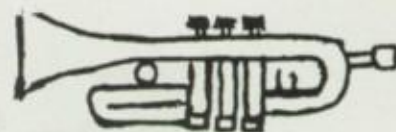

The Trinity High School Blue Crew marching band marched off with top honors in their first competition of the season. At Northwest Guilford High School, the Blue Crew won Best Rifle Line, Best Flag Line, Best Drum Line, and the Viking Cup, awarded to the best band in the competition. There were twenty-four bands from North Carolina, South Carolina and Virginia.

Mr. Cronham, the band director of the Marching Band, told his musicians if they brought home top honors at any contest he would give up his smoking habit. Way to go Mr. Cronham!

Most students don't realize what it takes to put on an annual. The entire annual staff has been working since the first day of school to bring you the 1982 *Trinhian*. The staff relied heavily on Lisa Hayworth, their editor, and Annette Spinks, co-editor. Another important person was Lisa Stunda, the business editor. Two other people who helped make our annual possible are Mr. Hayes, the annual staff's advisor, and Mr. Phillips, their financial advisor.

Dedication and hard work are two key factors in compiling our yearbook. The staff members showed these qualities by working many long hours to make the annual "just right." Some members even came to school on weekends to perfect their work and to meet deadlines.

Even though there was a lot of complicated work involved, being a member of annual staff still turned out to be enjoyable.

"The Bulldog Tales" is more than just a newspaper to the bulldog staff. Much dedication and work goes into each publication. The articles that are read in the paper are carefully chosen to be sure they are newsworthy. Most of the articles are written by members of the staff.

The "Tales" staff raises money by selling advertisements. Every Friday members of the class leave campus to bring back an ad and revenue for the next publication. The money is used to get the articles typeset. The editors lay-out the typeset articles on a dummy sheet and then carry the lay-out to Stone Printing to be printed. The remainder of the ad money is used for the printing.

These steps are followed every month to bring the school and community a fresh copy of "The Bulldog Tales". The entire staff along with the advisor, Mrs. Allred, extends appreciation for your support!!

Scottie, Kathy, Carol, Jeff, Bill, and Mrs. Allred all tell their opinions to get the job done the right way.

Trinity High School is proud to present three well-built choruses this year. First, the mixed chorus consists of male and female singers. Second, the treble chorus is made up of female singers and last but not least, is the low voice chorus which consists of male voices. These three groups have worked extremely hard this year. To begin with, they performed at the P.T.S.A. at the beginning of the school year. With one week to practice, they did a terrific job! The next major step was the annual Madrigal Dinner during Christmas. This was the first year anything of this sort was done at Trinity. Much hard work and practicing went into this great experience. As a result of all the time that was spent forming the Madrigal Dinner, it was a SUCCESS!! Also during Christmas time, the choruses performed for many local events. Right after the Madrigal Dinner, practice for the spring musical began. This year's live musical was entitled, "Once Upon A Mattress." Like all of the past musicals Trinity's choral department has presented, "Once Upon A Mattress" was well liked by everyone.

Fired Up and Ready

The girls pictured on this page may look like your average crowd, but look again. They are the Varsity Cheerleaders for 1981-82. Sure, they all date, sleep, and brush daily, but they all have other qualities that make them unique.

It all began last April with the annual tryouts. That was only the beginning. After tryouts, the REAL work began. The girls practiced all summer. They attended an International Cheerleading Foundation camp at UNC-CH. During the month

of August, they practiced daily. They also took on the responsibilities of serving the football team punch after every practice, of having an annual homemade ice cream party, and of giving a watermelon feast.

When August 28 arrived the squad was definitely "Fired Up and Ready." The spirit rang throughout the entire gym. That night Trinity won its first game.

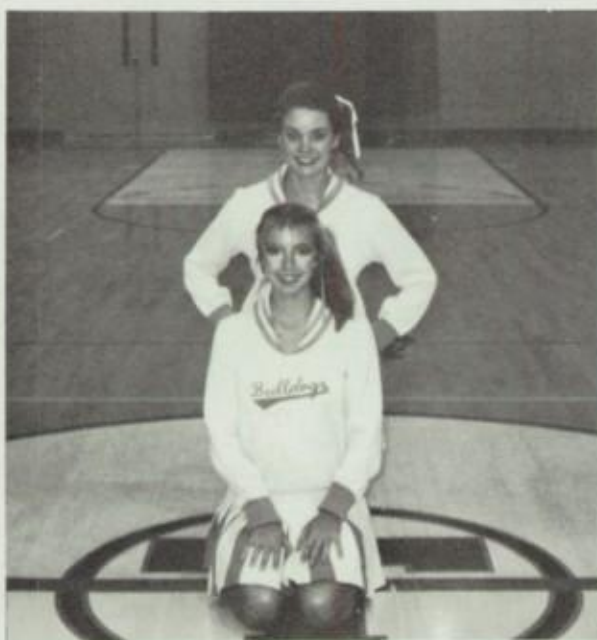

The girls worked on through football season. Keeping up with the Walt Disney Home-

coming theme, the squad dressed like the "9" dwarfs for the day. Throughout the entire season they served secret pals on the football team. The last game was sad, but each one could be proud for the terrific job that she had accomplished.

Between football and basketball, the squad sponsored a cheerleading clinic for grades 3-8. The money was used as reimbursement for summer camp.

Basketball came next. The spirit was still as strong as ever. The squad continued to work. The

task of serving refreshments was continued. Two games a week-what a schedule the girls had! They all came through with flying colors.

The Sports Banquet arrived, and each girl received a varsity letter. They all worked so hard to earn those letters. Thank you girls! Thank you Miss Richardson and Mrs. McCall for your dedication and sponsorship. The TRINHIAN salutes you all for the super job that you did.

We're Just Beginning ... to JAM

The Junior Varsity Cheerleading squad consists of 11 ladies who have put much time and effort into building a squad with spirit and pride!

These cheerleaders spent the third week in June at the beach where they practiced for hours each day learning their pom pom routine and all of their cheers.

All the long hours of practicing that they had spent was evident at their first J.V. game when we saw them cheer with much enthusiasm!

Being chosen to compete in the North Carolina Regional competition at Guilford College was an outstanding honor which the squad was very proud of. The many long hours that went into preparation for the competition paid off as our

Front row L-R: LeAnn Thompson, Carol Presswood, Cathy Spencer, Gina Lowe, Djuana Davis, Debbie Simmons. Back row L-R: Kim Harrison, Cheryl Gray, Christa Pendry, Deana White, Cathy Loflin.

J.V. Squad captured first runner up honors which qualified them to compete in the Eastern regionals at Williamsburg, Va.

Our ladies have worked together as a team to achieve the showmanship and enthusiasm that it takes to become a successful squad.

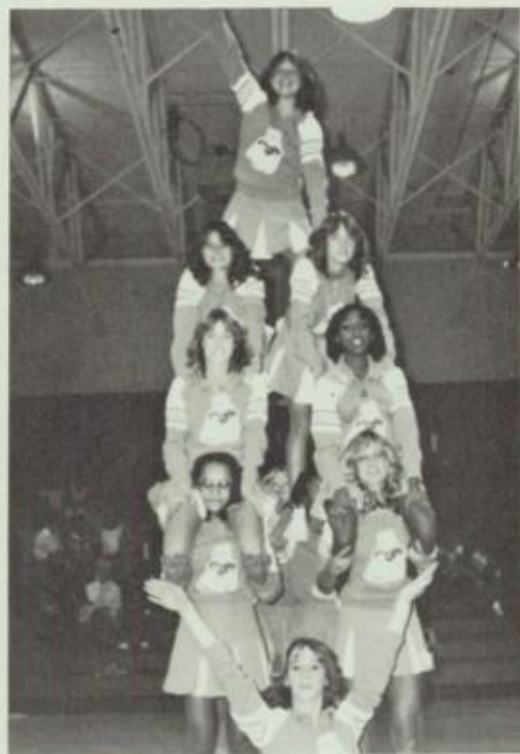

The J.V.'s success this year is largely due to the many long hours that their coach "Blaze" Hayes spent working with them. His patience, effort, and support has meant much to these cheerleaders.

The Trinhian staff would like to thank "Blaze" and his cheerleaders for their dedication to Trinity High School!

"Shout it out!"

Spirit shines through in the rain!

"One more time . . . Watch our spirit climb!"

Who stands behind a good wrestler? Answer: A good grapplerette. It's not just a job. Many hours are spent learning how to keep score, the clock, and the many signals of a referee. A Grapplerette takes pride in all the posters that are made, and the spirit they generate. They are expected to attend every match and tournament in order to letter. At home matches they do everything imaginable. Without them the coaches would be lost! During away matches, they act mostly as a cheerleading squad to keep the spirit high. Congratulations to the Grapplerettes for a job well done.

That's putting your heads together

Each year in the spring, Trinity High School is the host to the Crazy Olympics. This past year was no exception as students from the Freshmen, Sophomore, Junior, and Senior classes competed against each other. An event all students look forward to is the entrance into the gymnasium of a faculty

Oh No! Splat!!!!

member or student carrying the invisible flame. Todd Blair, dressed in Nike tennis shoes and a torn sheet, received the honor of opening the festivities. Here, we have on this page some of the events in the 1981 Crazy Olympics. Events included Mike McMahan and Lori Brown in the Lemon Dance, Corky Hicks and Frankie Cota in the Egg Throwing Contest and Steve Frye and his friend in the Jello Eating Contest. At the end, everyone was filled with excitement and joy. The excitement was because the contest was in doubt. After the final event, the Juniors, (Class of 82) had taken home first place. Thus, the 1981 Crazy Olympics was truly CRAZY!

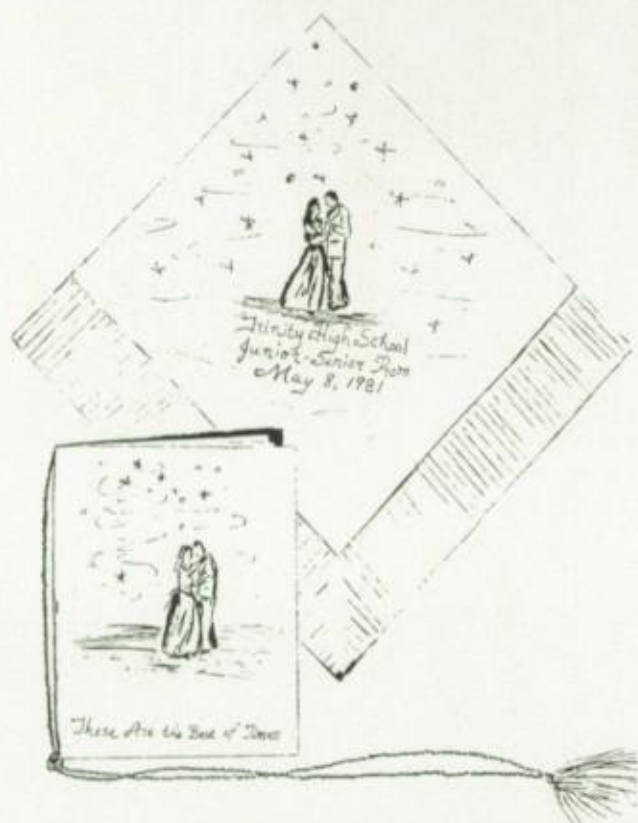

The Winner!

THESE ARE THE BEST

O F T I M E S

A keepsake of the Prom.

One of the yearly events that Trinity High School students "countdown" to is the Junior-Senior Prom. The theme of the 1981 Prom was "The Best of Times" and that is exactly what the festive evening proved to be. Music for the evening was provided by "One Real Band" out of Durham, North Carolina. Hostesses for the prom were Lisa Aldridge, Laurie Shelley, and Angela Driggers.

The prom, held on Friday, May 8, 1981 at the Top of the Mart in High Point, North Carolina, will definitely be long remembered by all those who attended. From 8 P.M. to 12 A.M. couples celebrated the occasion by either dancing, enjoying refreshments, or just talking.

The prom is an event that requires many hours of planning before it can become a success. Major planning for the event was done by the Junior Class Officers. However, each person who attended the prom had some important planning to do before making his or her grand entrance into the Top of the Mart. And no matter how hard people tried to fight that feeling of nervousness, it still brought butterflies as last minute preparations were made.

There are several reasons why a prom is so special. One reason being the fact that the prom occurs only once a year and another reason is the extravagant style of dress. Quite a bit of money is spent for dresses, tuxedos, corsages, bootenirs, and an endless amount of other things. Although the expense was rather steep, the excitement and good times made up for it.

All too soon 12:00 came and the prom was over. Immediately, the night became history and minds were full of memories—memories of "The Best of Times".

1981 Prom Hostesses Were: Laurie Shelley, Angela Driggers, and Lisa Aldridge.

The look on Mary Lynn Hill's face exemplifies the happiness felt by all.

David Hill and Connie Barrier wait patiently for the action.

"One Real Band" gave life to musical instruments throughout the evening.

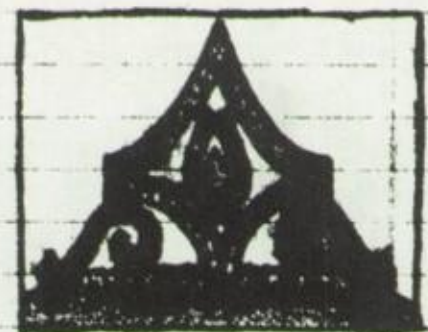

Greg Longuillo and Yolanda Small look like a perfect pair.

Donna Myers and her date enjoy the closeness of a slow song

Kissing was a common occurrence as Carl Baker and Tammie Coe exemplify.

The Miss Trinity Pageant is an annual event held at Trinity High School. It takes place at the beginning of spring.

Girls from each class come to compete for the title of Miss Trinity. A total of 41 girls competed for the title. The 1981 competition consisted of judging based on poise and general appearance. There were two separate categories: casual dress and evening gown.

Practice started March 23, and the girls worked many hard hours before school. They learned a song and steps to the melody "New York, New York." There was also a luncheon held at Western Steer for all the participants of the pageant.

The girls coordinated the two outfits they felt would best imply their personal features. The girls came very early the night of the pageant, to prepare for the competition.

The night was filled with many emotions—tension, excitement, ecstatic giggles, and the feeling of competitiveness. Each girl wished her friends luck, but yearned for the title herself.

The pageant began with the girls appearing as a group in their casual dress. They performed to the theme song. After the song and dance, the girls entered the stage, one by one, to do their required walk. Mark Dobbins and Brian Crenshaw assisted the girls up the stairs in the first segment of

"Miss Trinity 1981"
DeAnn Hobson

the competition.

There was an intermission and talent program while the girls prepared for the evening gown competition. They again did the required walk.

When the evening gown competition was completed there was another show of talent. Meanwhile, the judges were taken to a place of privacy to decide upon the semi-finalists. There were six girls chosen. They were Annette Spinks, DeAnn Hobson, Susan Andrews, Sharon Rodden, Angel Dumbloskie, and Conita McDowell.

From these, the reigning Miss Trinity was chosen. The six girls reentered the stage to give the judges a final chance to decide who would be crowned.

After what seemed to the girls to be an eternity, the envelope was given to the emcee, Joe Gamble.

The second runner up was announced, Annette Spinks; The first runner up was Sharon Rodden. Everyone held their breaths for the name of the new Miss Trinity. The number was called, and the name of DeAnn Hobson followed.

Tears of joy filled the new Miss Trinity's eyes as she walked forward to receive the crown from Joetta Moore, Miss Trinity 1980.

DeAnn Hobson received many nice gifts as a part of the honor of being crowned Miss Trinity. She received one dozen long-stemmed roses, a free portrait from Nelson's Studio, the crown and a Revere bowl.

A special thanks for making the pageant a successful event goes to four deserving people: Mr. Joseph Gamble, Mrs. Cheryl Burley, Mrs. Linda Kennerly, and Mrs. Rose Rinehardt. Without their guidance and long hours of hard work, the pageant would not have been such a success.

A sincere thanks goes to the judges and all those involved with the 1981 Miss Trinity Pageant.

Contestants display their beautiful array of evening gowns.

Contestant Jennifer Harris participates in the talent segment of the show.

The tradition of selecting five finalists was broken at Trinity High School in the 1981 Miss Trinity Pageant. Scores were so close that six finalists were selected. They were: Annette Spinks, DeAnn Hobson, Susan Andrews, Sharon Rodden, Angel Dumbloskie, and Conita McDowell.

Miss Trinity 1980 crowns Miss Trinity 1981.

Mrs. Kennerly thanks Mr. Gamble for his outstanding participation in the pageant.

Countless numbers of hours went into forming the 1980-81 school musical, "Anything Goes". Right after Christmas holidays, the "Anything Goes" cast and crew began work. This was the beginning of a great masterpiece. Being Cheryl Burley's first year at Trinity and her first year at producing a play, she naturally had a few jitters. But after the sell-out performances her students gave, she could not have been prouder!!

"Anything Goes" meant exactly what it reads—ANYTHING GOES!!! Taking place on a luxury cruise ship, the play was thrilling, humorous, exciting, and lively! Such songs as "You're the Top", "It's Delovely", "Friendship", "I Get a Kick Out of You", "Let's Step Out", "Blow Gabriel Blow", and "Take Me Back to Manhattan" were heard in the play "Anything Goes" and caused toes to tap, hands to clap, and mouths to rap. No one was ever bored for a second!

Many special thanks went to several other people that were not listed in the cast. They were: Mrs. Burley—director, Sandy Brown and Stephanie Bundy—accompanists, Joe Gamble—set construction and designing, Diane Brenner—dance choreographer, Rose Rinehardt—costumes, and San San Burton—lighting.

Everybody working together as one unit gets the job done and Trinity High School's 1980-81 "Anything Goes" cast proved it true!!

The cast of "Anything Goes" brings fifty smiles a second.

But I thought we were going to ...

BABY, what a FORM!!

Close your eyes and you will get a big surprise!

NEW ADDITIONS TO TRINITY

DR. DARRELL SAUNDERS

Trinity High is proud to have Dr. Darrell Saunders as our new assistant principal. Dr. Saunders has a variety of accomplishments. He graduated from A.S.U. with a Bachelor of Science degree. Dr. Saunders then received his Master's degree and went on to earn his Doctorate degree. Prior to coming to Trinity, Dr. Saunders taught at Pfeiffer College.

A new event was presented by the Trinity High School Choruses, Drama Department, and Home Economics Department during Christmas for the public. This eye-opening event was the Madrigal Dinner. You might ask, "What is a Madrigal Dinner?" Well, lords and ladies, this was a festive evening where the complexities of the twentieth century were cast aside and we traveled back in time to the simple pleasures of the fifteenth century. The real feeling of a Madrigal was set forth by a delicious dinner, humorous skit, and musical selections from that time period. Many thanks to the cast. Special thanks to; Cheryl Burley, Jo Burroughs, Patsy Wagoner, Thom Walls, Ray Bradswell, and Jerry Jones.

Madrigal Dinner

Richard Hunt as the Jester welcomes everyone!

Phil Hyde was the king for the evening and Lisa Stunda was the queen.

Lisa Hayworth, Editor

Annette Spinks, Assistant Editor

Lisa Stunda, Business Editor

As this year comes to an end, memories of the past become carefully stored in our minds.

For the underclassmen, there are thoughts of the upcoming year. For the seniors, there are the hopes and dreams of the future. If you're a senior like me, I'm sure that you know how exciting and confusing this year has been. There's so many decisions to make about our futures—so many roads we can take. Sometimes, I'd like to tell the world to slow down. It seems like only yesterday that we were in the first grade. Our snaggletooth days are gone. And now, our high school years—the years that we "Counted Down" to for so long—are all but gone themselves. There are many things that we never want to forget—the football games, Homecoming Week, all the good times. Hopefully, this yearbook will help us remember them forever.

There are several people that I'd like to thank for their help and cooperation on the TRINHIAN. A special thanks goes to Annette Spinks, my assistant editor; Lisa Stunda, Business Editor; the TRINHIAN staff, and our advisors Mr. Hayes and Mr. Phillips.

I sincerely hope that this yearbook is everything you wanted it to be.

Sincerely,
Lisa L. Hayworth, Editor

Layouts, cropping, ghosting, type sheets, and deadlines are all words that crept into my vocabulary when I became co-editor of the TRINHIAN. At first, my idea of a co-editor was one of a supervisor and decision maker. Then the work began to accumulate and weekends became the time when my layouts were finished in a frantic rush to meet a deadline. But now that it's all over, and the 1982 TRINHIAN is the yearbook to top all yearbooks, I can sigh in relief and begin to miss the hard work.

Like football or basketball, putting together a yearbook is a team effort. It takes a great coach, in our case Mr. T. Edward (Blaze) Hayes, with an original strategy plan. An excellent team captain, Lisa Hayworth, is necessary along with an accurate statician, Lisa Stunda. The other players, our 1982 TRINHIAN Staff, also deserve a rip-roaring cheer for their team effort and accomplishments that make me proud to leave Trinity High School with a wonderful yearbook to remind me of my senior year.

Sincerely,
Annette Spinks, Co-Editor

"1982; what a good year that was." We seniors will be saying that several years from now. Hopefully, many years from now you can pull out your senior yearbook and reminisce about all of these memories and events. I hope this book means as much to every senior as it does to me!

As to the underclassmen, the 1982 TRINHIAN plays a big part in your "Count Down" to your senior year. Each and every memory counts.

By having a regular class this year, much more time, thought, and creativity was put into this year's annual. Those times occurred, though, when we got stuck on something and didn't know what to do!! When this happened, we always turned to our advisor, Mr. Hayes, to pull us out!

By having had the position of business editor, I realized how much money and time it took to put a book like this together. I appreciate the staff for working dilligently to raise the money and I thank Mr. Phillips for taking the responsibility of keeping records of the money and the money itself.

Sincerely,
Lisa Stunda, Business Editor

IN MEMORY OF ...

Death is
in such
strange
contradiction
to life
that it
is no
wonder
that we
recoil
from it
and
turn to
rememberances

and find
recompense
in perceiving
that those
we have
loved
live
in our
memories
as if
they
were still
before
our eyes.

Mr. John Newton Kearns
1946-1982

THE JOY OF UNSELFISH GIVING

Time is not measured
by the years that you live
But by the deeds that you do
and the joy that you give -
And each day as it comes
brings a chance to each one
To love to the fullest,
leaving nothing undone
That would brighten the life
or lighten the load
Of some weary traveler
lost on Life's Road -
So what does it matter
how long we may live
If as long as we live
we unselfishly give

Helen Steiner Rice

Assistant Principal, John Kearns died on January 21, 1982. Mr. Kearns had a love for Trinity High as was reflected in his work. Students regarded Mr. Kearns with a great deal of respect. John Kearns was a very open and sincere man. He was one of the most popular faculty members on campus. In his position as a disciplinarian, he had a unique way of dealing with students. Faith was predominate throughout Mr. Kearns's lifetime.

Mr. Farlow expressed it best when he said, "Mr. Kearns left a tremendous influence for good here. He had a good rapport with students and a fine relationship with the faculty and community. It was evident that he loved young people and they were fully aware of this."

Mr. Kearns at work.

Lisa,

I hope this page was reserved for me, if not well when you snore, you lose. We've been thru alot together. A hell of a lot! But all in all we've had some damn good times. Like laying out. But then we got caught & that ended that!?! Our parents thought they could separate our friendship but that's impossible. We both know that we're not near as close as we used to be, but alot's been going on. I hope we take the time to renew our friendship and make it as strong as it once was. Well, now we'll get down to the great excitement. I'm a senior! And damn proud of it too! Now, Lisa you know if I can do it you can. So don't worry about it. Just take it easy. Lisa I wish you all the luck with your future. Cause I'm sure that you will succeed in whatever you do. Its just like guys, if you want one bad enough you will find a way to get him. Its really simple. Well Good Luck with your life cause we'll all need it. And don't you even think about forgetting me. You can't I'm special! Aint I? When I get my apartment / get married you can come visit me anytime. Have a Great Summer! Raise Hell!
